The Linus Pauling Institute's 14th Biennial

Diet and Optimum Health Conference

CH2M Hill Alumni Center · Oregon State University · Corvallis, Oregon, USA

Sponsorship Prospectus

From the Director

Emily Ho, PhD
Director of the Linus Pauling Institute and University Distinguished Professor of Nutrition, Oregon State University

In 2025, the Linus Pauling Institute's Diet and Optimum Health Conference brought together leaders in precision nutrition and healthspan research, connecting experts in nutrition, the microbiome, metabolomics, and aging with emerging data technologies and AI.

In 2027, we are taking the next step. Our 14th biennial conference places **precision nutrition and biomedical data science at the center of the program** and follows discoveries from mechanism to market — from healthspan and multi-omics to bioactives, pre- and postbiotics, and the clinical evidence that shapes real-world products and policy.

We are also introducing new formats built for genuine exchange between academic and industry scientists, including an interactive **Expert Table Session**, an expanded Early Stage Researcher program, as well as our continued **Poster Session and Awards Dinner Reception**.

As a sponsor of Diet and Optimum Health 2027, you'll have the unique opportunity to form strategic partnerships with some of the most influential minds in nutrition, healthy aging, and health data — and to connect with the next generation of researchers.

We hope you'll join us in Corvallis this September.

General Information

When:

September 8 and 9, 2027

Where:

CH2M Hill Alumni Center
Oregon State University
Corvallis, Oregon

Conference Topics:

- **Biomedical data science & AI in nutrition**
- **Precision nutrition**
- **Healthy aging & longevity**
- **Fasting & dietary patterns**
- **Supplement science**
- **Phytochemicals & bioactives**
- **Pre-, pro- & postbiotics and the microbiome**
- **Metabolic health**

Conference Website:

Conference updates, registration, and abstract submission can be found at our website: lpiconference.org

Key Dates:

January 2027 — Registration and abstract submission open
September 8, 2027 — Day 1 · Poster Reception
September 9, 2027 — Day 2 · Awards Dinner Reception

Hotel Accommodations:

Special hotel rates will be available for conference attendees at the Hilton Garden Inn in Corvallis, located only two blocks from the conference venue, on a first-come, first-served basis.

Other hotels in the area can be found on our conference website.

Conference Chairs:

Emily Ho, Director of the Linus Pauling Institute and University Distinguished Professor of Nutrition, Oregon State University

Fred Stevens, Associate Director for Research at the Linus Pauling Institute and Professor of Pharmaceutical Sciences, Oregon State University

Adrian Gombart, Principal Investigator at the Linus Pauling Institute and Professor of Biochemistry and Biophysics, Oregon State University

Arup Indra, Affiliate Faculty Investigator at the Linus Pauling Institute and Professor of Pharmaceutical Sciences, Oregon State University

2027 Program Highlights

Two days of 30-minute plenary talks from leading researchers, bridging biomedical research and the nutraceutical industry.

DAY 1 · WEDNESDAY, SEPTEMBER 8

Precision Nutrition & the Data Revolution

- Keynote and Plenary talks
- Early Stage Researcher Session
- Poster Reception with wine & hors d'oeuvres

DAY 2 · THURSDAY, SEPTEMBER 9

From Mechanism to Market: Bioactives, Biotics & Translation

- Keynote and Plenary talks
- Sponsored Lunch Symposium
- Expert Table Session
- Awards Dinner Reception

New in 2027

Expert Table Session

Facilitated expert roundtables, two rotations, ten attendees per table. No slides, no lectern — just direct conversation between industry and academic scientists on topics like trial design, aging clocks as endpoints, and postbiotic regulation.

Awards Dinner Reception

An evening celebration featuring the LPI Prize for Health Research, Early Stage Researcher Awards, and Poster Competition awards.

Expanded Early Stage Researcher Program

A dedicated 90-minute session with competitive, abstract-selected talks from graduate students, postdoctoral researchers, and early career faculty.

Industry Science Spotlight

Peer-reviewed science from industry-affiliated researchers, reviewed by the program committee, with full disclosures.

Sponsorship Levels

Platinum – $20,000+

- Exclusive invitation to the **speaker dinner**, a networking opportunity for conference speakers and LPI faculty, with opportunity to address guests
- Inclusion of logo on all conference materials
- Six-foot display table
- Advertisement slides shown throughout the conference
- Three (3) complimentary conference registrations

Silver – $5,000+

- Inclusion of logo on all conference materials
- Six-foot display table
- One (1) complimentary conference registration

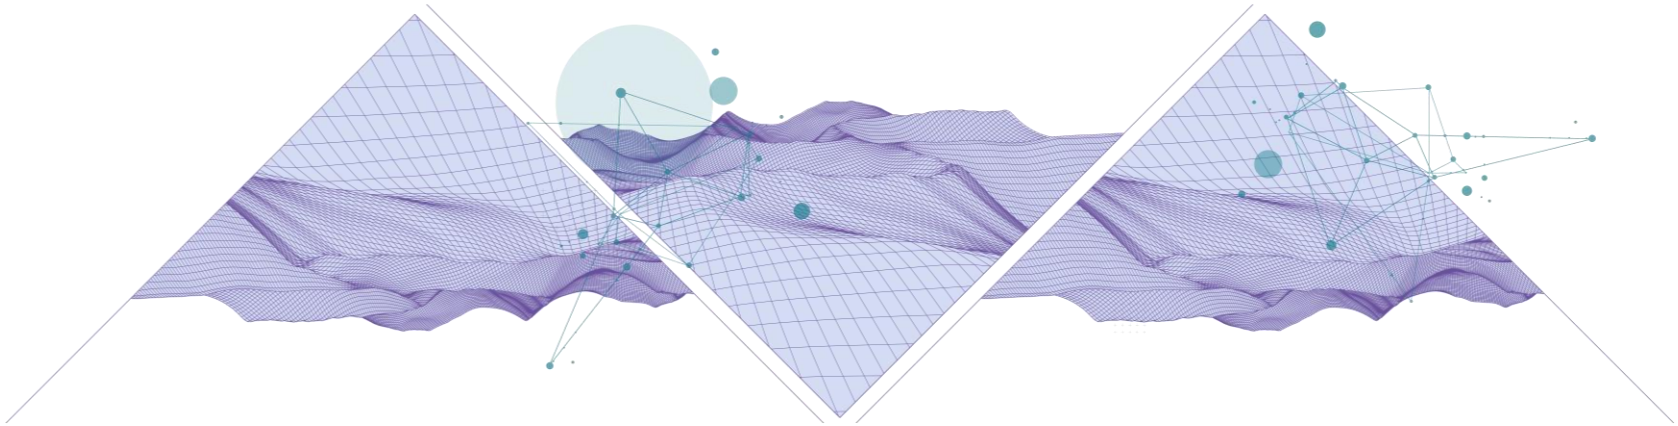

Gold – $10,000+

- Sponsor name added to a conference break, with an opportunity to address the conference
- Inclusion of logo on all conference materials
- Six-foot display table
- Two (2) complimentary conference registrations

Bronze – $2,000+

- Inclusion of logo on all conference materials

Additional Sponsorship Opportunities

Signature Events & Awards

All opportunities include special sponsor acknowledgements during the conference and inclusion of logo on conference materials.

Awards Dinner Reception (Exclusive) – $15,000
Presenting sponsor of the evening dinner reception on September 9, including Travel Awardees and Early Stage Researcher Award ceremonies. Branding on printed materials, venue signage, and the ceremony. Includes two (2) complimentary conference registrations.

Scientific Poster Session (Exclusive) – $10,000
Poster session and reception on the evening of September 8. Includes two (2) complimentary conference registrations.

Early Stage Researcher Awards – $5,000
Sponsor one of the named awards to outstanding trainees and early-career faculty selected during the conference. Includes one (1) complimentary conference registration.

Advertisements – $2,000
Full-page or half-page print program advertisements or digital advertisements in the conference app.

New for 2027

Sponsored Luncheon Symposium (Exclusive) NEW **– $15,000–$25,000**
A single-sponsor, 60-minute session during the Day 2 lunch. Sponsor selects the speaker, subject to program committee approval. Lunch is served during the talk.
